## PROVIDUS BANK BOX OF JOY INITIATIVE

Christmas is a time of giving, hope, and togetherness, and this initiative seeks to embody those values by alleviating hardship, strengthening social bonds, and sharing the spirit of generosity. The Providus Bank Box of Joy Initiative reflects our commitment to Corporate Social Responsibility by fostering joy, inclusion and hope within our local communities, particularly the underserved individuals, during the Christmas holidays. Through this initiative, we addressed the immediate needs of our host communities while strengthening the connection between our bank and the communities we serve.

On Saturday, 20th, and Monday, 22nd, December 2025, employees of Providus Bank, Lagos branch, visited three focal communities in the Amuwo-Odofin and Eti-Osa local government areas (LGAs) of Lagos State. Our staff delegation volunteered to distribute over 2000 gift boxes across the three locations, including:

- Holy Family Catholic Church in FESTAC town
- Oniru Palace, the official residence of the Oniru of Iru Kingdom on Oniru Estate Road, Lekki
- Oba Elegushi Palace on Oba Yekini Elegushi Road, Lekki

Staff members had the opportunity to distribute joy gift boxes directly to community recipients, which included essential food items such as rice, cooking oil, and cassava granules (garri). More than 2,000 recipients across the three locations received these gift boxes, bringing comfort and joy to community members.

*Some Of The Recipient Expressed Their Delight And Appreciation, Remarking:*
